

Instructions

Sandie the Coastguard officer will introduce herself and tell you what to do. Her instructions will automatically be read out. If you do not wish to hear the audio, click the audio button on the right of the panel. You can also click this button to replay the audio after it has finished.

Click on Jack the coastguard rescue officer to play the beach patrol game. There is a separate instructions sheet for this game.

Click on the computers in the station to see a slideshow which explains what the coastguard do and how they help to keep the coastline safe.

Click on the safety poster on the coastguard station wall to read a comic about staying safe on a trip to the seaside.

There is a teachers' and leaders' area link below the frame. Here you will find sample lesson plans relating to this content.
