

### Staying safe at the seaside

When you are visiting the seaside, there are some things that you must always do and some things that you must never do. For example, you must always:

---

---

---

However, you must never:

---

---

---

To stay safe, you should only:

---

---

---

It would be very dangerous if you:

---

---

---

Always remember to:

---

---

---

Don't forget to:

---

---

---
